Technology Investment Agreements

Section 1007 of the Energy Policy Act of 2005 granted to DOE Other Transaction Authority (OTA). A Contracting Officer may award a Technology Investment Agreement (TIA) under OTA only if the CO warrant authorizes award and administration of TIAs.

The Core Curriculum for the TIA certification is

- Financial Assistance Level III Certification
- DOE TIA Training
- Cost/Price Training*
- Negotiation Training*

*CON 217 is acceptable for completion of these requirements but is not mandatory. Other training with equivalent course material may satisfy the requirement(s).
